New Livery Yard

The planning application for a new livery yard at Little Bentley has been resubmitted and we are expecting to hear by the end of May. The grass is growing well in the new paddocks.

Caravan News

Caravan storage spaces will be up for renewal on 1 July. As we have not increased our charges for several years, there will be a small price rise this year - the annual charge for single axle will be £370 and for twin axle will be £470. Please let us know if you are not intending to renew, as we have a waiting list!

Don't forget to put your name in the front window of your caravan when you bring it back - it really helps our staff!

Piglets

Unfortunately one of our piglets had a heart complaint and was unable to grow, so we now have seven. They will soon be moving to a new deluxe pen, opposite the cattle barn.

New Farm Butcher's Shop!

Our farm butcher's shop development is progressing according to plan and we expect to open in June, hopefully the week after the South of England show. We will send further details soon.

The shop opening times will be:

Wednesday 9.00-5.00; Friday 9.00-5.00

Saturday 9.00-1.00

We will be able to deliver to trade or retail customers, by arrangement, on any day of the week. We will initially be selling beef; pork; sausages; bacon; lamb; chicken and eggs.

Our emphasis will be on providing locally produced, high quality, naturally reared, mainly fresh but also frozen meat, from our own and neighbouring farms. We will be able to tell you which farm produced your meat or eggs and how it was reared.

We won't now be able to restock our meat supplies until we open the shop, so we are having a clearance sale during May!

The sale price list and availability is overleaf.
